Dearest Nancy,

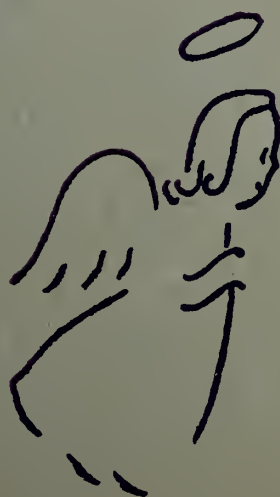

you are one of the sweetest
and dearest girls I have ever
known. I have enjoyed know-
ing you more than any one
I have met this year. We
have had a lot of good times
together and I hope we will
have many many more.

I love you,

Ann

JUST A NOTE

LAST YEAR'S SENIORS left Saint Mary's with a teary farewell to friends and teachers, left with full hopes of tomorrow, left with a bucketfull of memories which will doubtless cause many a chuckle later on from an eighty-year old Saint Mary's "girl." And so do we leave throughout the years. But the class of 1944 left a gift to us; they gave a name to our school, "Saint Mary's Pre-Flight School for Angels," and this title we have used for the theme of our '45 yearbook.

Here is our record of study, play, and worship. Think kindly of this "angel," for she once was you.

DEDICATION

TO MRS. NAYLOR we are very happy to dedicate this 1945 STAGE COACH. For her years of service, for her patience and kindness to all of us, for her cheerfulness and ability in helping us stay well, we wish to show our thanks.

MARY HELEN DODD

August 28, 1889—June 8, 1944

Saint Mary's 1932-1944

The chapel . . . where hours are peaceful.

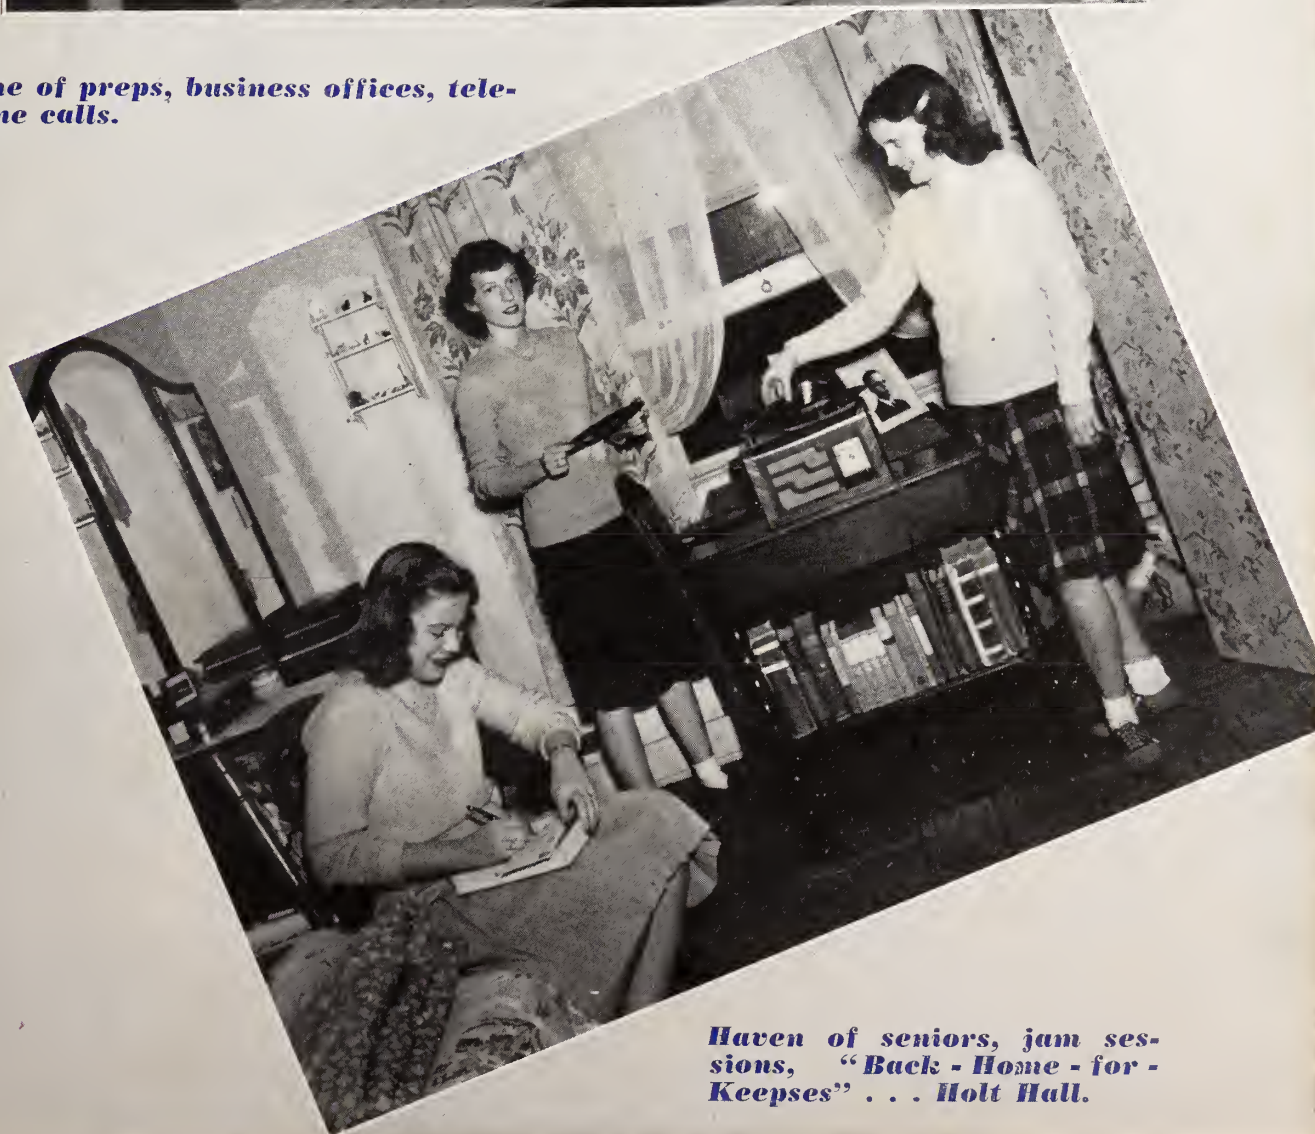

*Fresh air, picnics,
wild flowers, and
room for fun.*

Logs crackle and girls chant of brighter days.

**Home of preps, business offices, tele-
phone calls.**

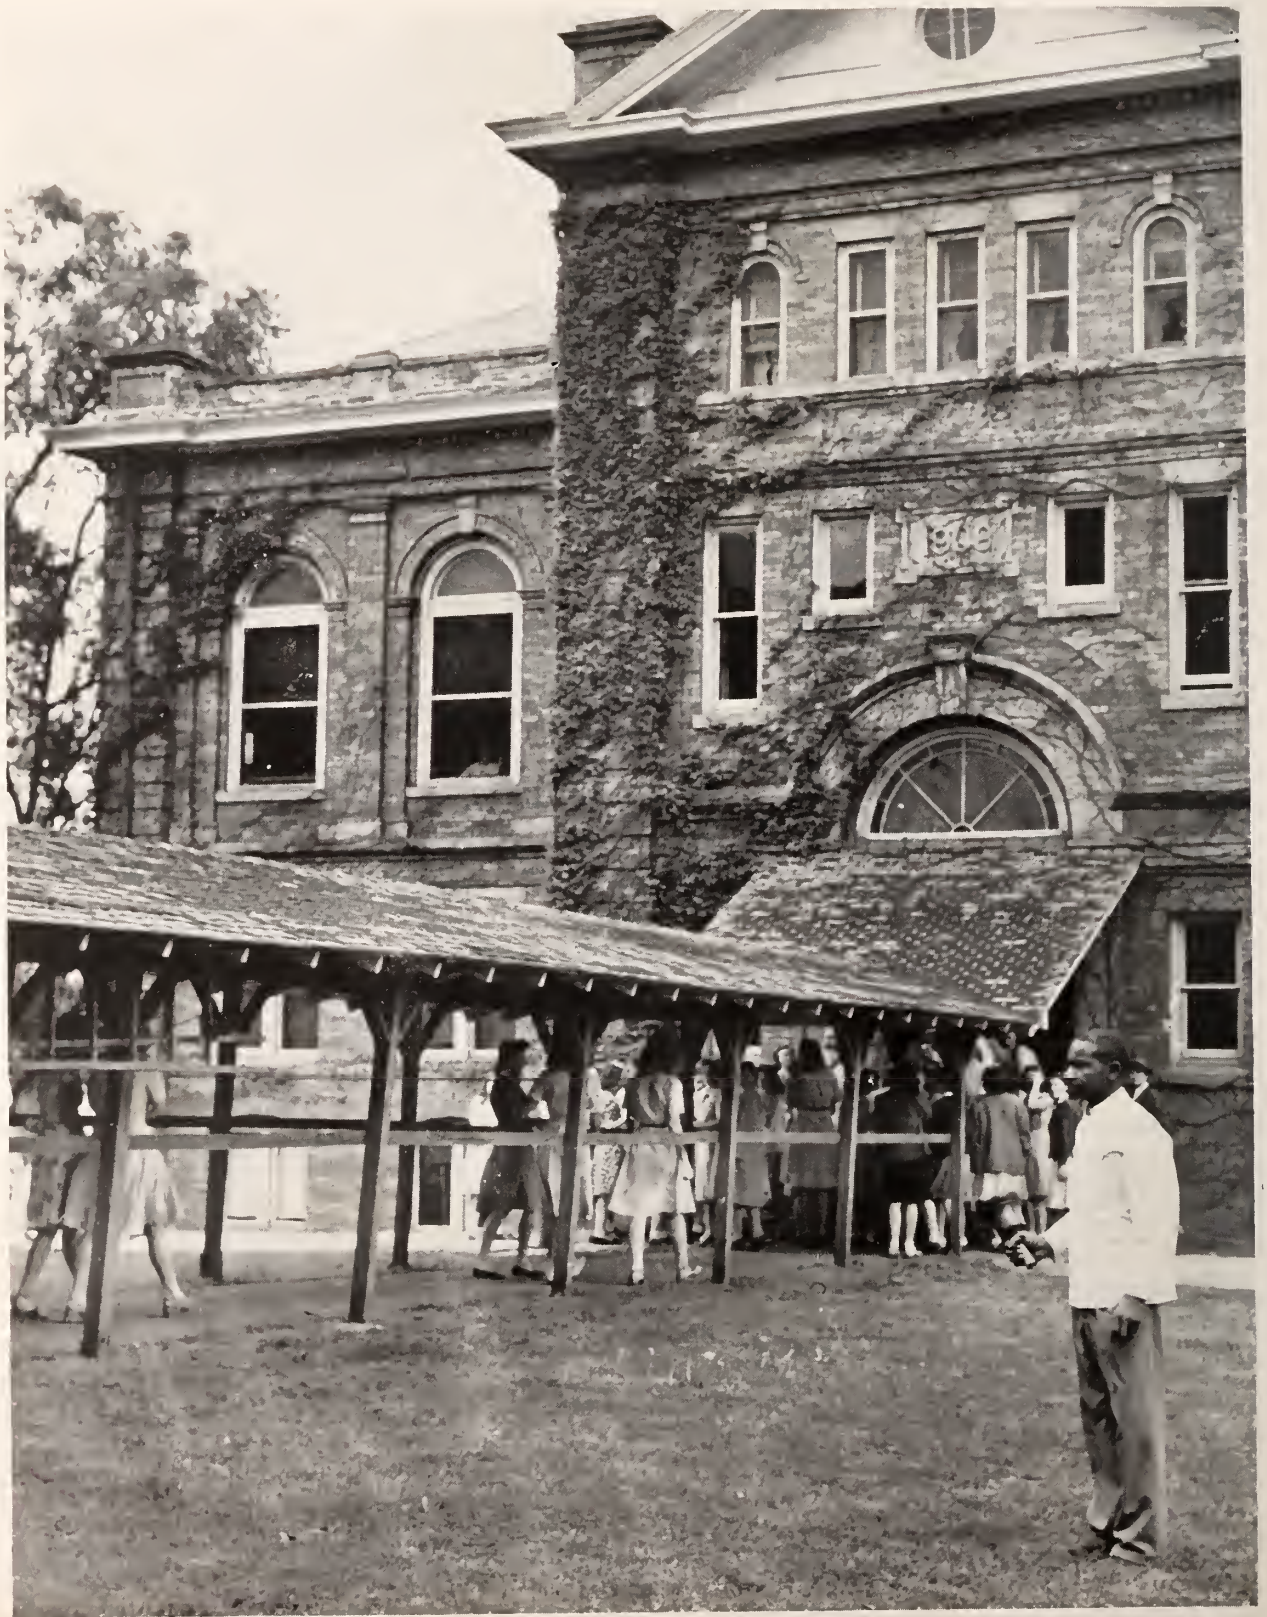

**Haven of seniors, jam ses-
sions, "Back - Home - for -
Keepses" . . . Holt Hall.**

Reserve shelves, research papers, and occasionally one read for pleasure.

Whether we hear from "him" or not makes us delirious or de-pressed.

STUDENT GOVERNMENT

Kate Broadfoot—*capable, conscientious, unostentatious, studious* PRESIDENT

Sara Coe Hunsucker—*vivacious, cheery, effectively amiable* VICE PRESIDENT

Betsy Durham—*zestful, agreeable, pleasantly Yankee* SECRETARY

Mary Arden Tucker—*reserved, tactful, cryptically efficient* CHAIRMAN OF HALL
COUNCIL

Ann Cutts—*dreamy, complacent, calmly effective* PRESIDENT OF DAY STUDENTS

Seated: Kathryn Fulton, Kate Johnson, Tuga Wilson, Betsy Durham.
Standing: Sibyl Goerch, Sara Coe Hunsucker, Kate Broadfoot, Kitty Quintard, Isabel Robinson.

HONOR COUNCIL

Symbolizing Student Government, the little black notebook has been in capable hands with the Honor Council this year. Each class elects its representatives for the qualities of fairness and understanding. Excellent leadership and interest in school activities has made this body deserving of all the respect it has earned.

THE HALL COUNCIL

Each member of the Hall Council works twenty-four hours a day keeping the workings of the Student Government closer to the girls. The hall presidents have the difficult task of regulating dormitory life, not only by instructing, and sometimes reproving, but also by setting an example in their own behavior.

Seated: Edmunds, secretary; Miss Hopkins, Tucker, chairman; Williams, Mardre, Lane, Hughes; Stevens, Banks. *Standing:* Thomas, Eleanor, Taylor, Murphy, Carter, Dickey, Anderson, Goodwyn, Pinckney, Royall.

Front row, left to right: Bain, Shamburger, Hunsucker, Spilman, Bassett, Miss Davis, Miss Tucker. Second row: Campbell, Robertson, Bowers, chairman; Lee, Carrington, Broadfoot, Miss Digges, Miss Winslow. Not photographed: Tucker, Cutts.

THE LEGISLATIVE BODY

The Legislative Body discusses, revises, passes or rejects all petitions from the school group which deal directly with student problems. Composed of Student Government officers, faculty, and class representatives, and the Handbook editor, this body tries to smooth out problems which confront the majority of students. Each petition is carefully considered. This organization is keen, practical, and best suited to handle all student problems in the most democratic fashion.

SENIORS

We, the Seniors, are now leaving Saint Mary's, and the last year with the stately oak trees has passed both slowly and fast. Although all of us started off a year or so before this, we did not really start to live until we were well established in the crowded domains of Holt and the Rock and had succeeded in orientating the new girls amid puddles of September rain. We took over student organizations, tried hard, and finally reached our stride. The Senior Dance became a New York Roof Garden, and an amazing number of attractive men made themselves available. We faced our first Senior exams (and were we worried over quality points), then started the second semester. By now we realized that we were a part of Saint Mary's, and that Saint Mary's had become a part of us. Hot weather came, and so did final exams. Then gray caps and gowns hid white dresses on June 4, and we got our diplomas.

MARY BILLINGS, *treasurer*

Frightened, self-conscious, smiling at Kate and Sara Coe, we found ourselves at college. It took time, but at last Student Government, organizations, and illustrious seniors were no longer names in the handbook. "Who did you hear from? . . . When are you taking the weekend? . . . Copy your short story? . . . Date for the Junior-Senior? . . . White dresses for Commencement to be hung in Holt next year." . . . All echoes of our Junior year.

A grid of 16 black and white portrait photographs of young women, arranged in 4 rows and 4 columns. Each woman is wearing a light-colored, possibly white, collared dress or blouse. The portraits are set against a dark background. The women have various hairstyles typical of the mid-20th century, including wavy, curled, and straight styles. Some are smiling, while others have more neutral expressions. The lighting is soft, highlighting their features. The overall composition is a formal group portrait of a class or organization.

MARGARET RODWELL, *editor, Bulletin*; SUE MOORE, *editor, Stage Coach*; MARIA GREGORY, *editor Belles*

Notices scrawled on bulletin boards . . . Monday nite meetings in the library basement . . . the white box by the post office for overdue articles . . . conferences between editors and C.A.P. . . . click-clack of typewriters . . . printers' proofs and finally our bi-monthly *Belles* (with war stamps, please), a revamped collegiate *Saint Mary's Bulletin*, and our '45 STAGE COACH.

These are Saint Mary's three student publications that have shown the school to itself and alumnae. This year the *Bulletin*, edited by Margaret Rodwell, has been revised, enlarged, and brightened up with new red, blue, and green covers. Each of the three *Bulletin* issues features a lead article on an

outstanding current or postwar idea in addition to the usual student literary contributions and a more correlated alumnae section.

A great time was had by all this year on the *Belles*. Maria started off by amazing the new girls with an issue the first Friday of school, and continued with a "Pin-up" contest, sharp editorials, and pink bunnies. The staff had to work pretty hard and consistently to get out the four-page "news-paper" every two weeks, and it always arrived on Friday.

The annual? . . . well, here it is, and it represents all of our school year, and of course trials of the art staff, blues of the business staff, and endless organization to get the right Pre-Flight Angel in the right place without infringing on someone else's territory. Fun, work, and finally finished . . . Now!

Sally Ann Elliott, Jane Campbell, and Mary Bull Pinckney have been elected 1945-46 Editors of the *Belles*, STAGE COACH, and *Bulletin* respectively.

Sigma Lambda's

Sigma Lambda and E.A.P. Literary Societies, led by Goerch and Cutts, have been a haven and a magnet to all of us burning with the creative bug. Poems, essays, short stories, book reviews, and debates have moulded our programs from snappy discussions to pleased musings over efforts of a fellow "artiste." All masterpieces from each society are judged, and, at the annual banquet, a cup is awarded to the most talented group. Talent was most abundant with the E.A.P.'s in 1944; they won the cup.

E.A.P.'s.

FRENCH CLUB

Outside speakers, marionette shows, songs, and group discussions in French make up the two meetings per month of the French Club. "Madame" directs us with ease and skill; Mademoiselle Lucy Seamon is president.

(The Pi Chapter of the Sigma Pi Alpha, honorary language fraternity, was organized at Saint Mary's late in the year. Margaret Skidmore is president of the SMS chapter.)

DOCTOR'S DAUGHTERS CLUB

A major part of Saint Mary's war work is carried on by this small group of physicians' daughters under the supervision of Mrs. Naylor, resident nurse. This work over the past year has included work for Chinese War Relief, rolling bandages, and the study of home nursing. Stuart Verdery is president, and Jane Pecte, vice president.

POLITICAL SCIENCE CLUB

Group discussions and guest speakers have introduced members of the Political Science Club to election problems, U. S. Government, and the "business world." This group, composed of students in history, economics, government, and sociology, is directed by Mr. Guess. May Bunn is president.

GRANDDAUGHTERS

Daughters and granddaughters of Saint Mary's girls have joined this club to sponsor the sale of Address Books at Christmas, to contribute funds to send cigarettes overseas for service men, to assist in the solicitation of funds for the Centennial Drive and to carry on the traditions of generations. They have done a fine job.

DRAMATIC CLUB

Rehearsals, stage sets, make-up, lighting, and properties keep Dramatic Club members quite busy, as any member will testify. Conscientious efforts and the capable direction of Miss Davis, Annette, and other officers have produced grand shows for us. *Pride and Prejudice* and *As You Like It* top the list.

GLEE CLUB

The Glee Club entertained us with a Christmas concert and a spring cantata, and they very graciously entertained our service men at the Y.W.C.A. throughout the year . . . Miss Cate, director, and Gwen Hughes, president, ably directed these SMS chirpers.

CANTERBURY CLUB

With rolling bandages, weekend conferences, Sunday night lectures in the parlor, suppers in the hut, programs, discussions, all under the helpful hand of Mr. Hughes, the Canterbury Club strives for fellowship, religious unity, prayer and study.

ATHLETIC COUNCIL

Bad-

"Accentuate physical fitness" was the cry of the Federal Security Agency of the United States Office of Education this year as well as previous war years. From the start Saint Mary's girls got into the swing of an intensified Physical Education Program. Added to the regular sports—kick ball, hockey, basketball, volley ball, and tennis—were track, badminton, and bowling, the latter two affording an opportunity for an additional hour a week of physical education.

The traditional Sigma-Mu party continued at high pitch throughout the year. With blowing bobs and rah, rah, rah's, the peppy cheer leaders in blue and red respectively roused spectatin' femmes to catch cheers for home and visiting teams alike. Donning *Sigma* colors were Avera, Burgard, Royall, and Slater; sporting the *Mu* blue were Goerch, Shamburger, Sullivan, and Fleenor. Late in the spring the Athletic banquet brought the sports season to a close. The Letter Club occupied the center of the floor as well as the center of attraction. Awards were presented, and the banquet culminated with the traditional friendship circle and singing of taps.

Standing: Burgard, Fleenor, Shamburger, Sullivan.
Sitting: Avera, Royall, Slater.

SHOT!

KICK BALL was the first major sport of the year. Some of the enthusiasts found, after battering a few toes, that there was an art to kicking the ball! Evidently the Mu's kicked harder and more furiously, for they came out the winners. Composing the ALL-STAR team were White, Bunn, Eleanor Thomas, Griffin, Lane, Martin, M. M., Banks, Avera, Hunsucker, and Holland, with Shamburger as manager.

HOCKEY came heralding winter. Clashing sticks, and skinned knees accompanied this rough-and-ready sport, but still it proved exciting and popular. The all-stars were Moomaw, DesChamps, Edmunds, Elizabeth Thomas, Long, Gregory, Banks, Smith, V., Dawson, P., Cooper, B., White, Lee, Royall, Bunn, and Woolard, with Anderson as manager. The *Mu's* led the field.

BOWLING, an off-campus activity, had as its six champs: Boyce, Griffin, B., Alligood, Hoffman, C., Misenheimer, and Wellons. *Sigma's* won.

PING-PONG, this year as last, was an all-around minor sport. Again Bernie White took top honors, with Jean Sullivan as runner-up.

HOCKEY

WINTER MONTHS WITNESS A TOUGH HOCKEY GAME . . .

BADMINTON was the most popular minor sport, battling the bird holding interest for many beginners and veterans. The tournament was tops on the sport program for a few weeks during early spring. Good players were Gregory, DesChamps, Manship, and White, B.

VOLLEY BALL, SOFTBALL, and TENNIS were major sports of the spring season.

"On your mark, get set, go!" Newcomers to Saint Mary's physical activities were track and field, different and quite strenuous but nevertheless popular. Those distinguishing themselves in dashes and hurdles were Holland, Bain, Bryant, Terry and Cates; in jumping, Parker, Mildred, Goerch, and Peete; in throwing, White, Bunn. We here at Saint Mary's enjoyed a full, tuned-to-the-times athletic program throughout '44-'45. And it was fun!

DANCE MARSHALS

All of the success (besides our own particular charms) of the monthly girl-breaks is certainly due to these dance marshals who have smoothed many an awkward girl into heaven by just *the* right introduction on the dance floor. They have arranged for suitable music, jive and otherwise; they have served "cokes" and have been nice hostesses in the parlour . . . they have afforded entertainment we will long remember.

OUTSTANDING GIRLS

Each year the student body selects eight girls for their outstanding achievements, leadership, and scholarship in their years at Saint Mary's. And here are the eight girls who have received the highest honor, besides the Student Government offices, which the student body can bestow. Turn the pages.

Through the years the price of
electricity has gone lower and
lower and lower.

Electricity takes the basso part

SO MANY members of the cost-of-living chorus are hitting high notes these days that you may easily miss one performer still rumbling along in the lower registers.

The basso is electricity. Its price was low when war began—and *has stayed there*. In fact, it directly reversed the rising trend. Government figures show that *the average price of electric service has actually declined during the war period!*

That's *news*, these days. It's the product of sound *business* management, plus the hard work of your friends and neighbors in this self-supporting, tax-paying company.

And it's the promise of plentiful, low-priced electricity to run the modern marvels you'll have when you start keeping house after the war.

BUILDERS OF DREAMS

VISIONS created by the imagination precede the achievement of any really great accomplishment. The ability to weave the threads of imagination into the finished fabric is equally important.

It has been the privilege of the EDWARDS & BROUGHTON COMPANY to cooperate with the staff of the STAGE COACH in creating their vision into material form.

Such coöperation is one of the "visions" which precede the building of a successful business, and is a part of the working policy of the EDWARDS & BROUGHTON COMPANY.

To those Staffs desiring complete coöperation, we offer unexcelled service.

You, too, may be proud of *your* annual.
